SPECTRA

Yeast Extract

Natural Product: Provides a balanced, rich umami taste that amplifies natural flavors in savory applications without adding specific or overwhelming notes.

Clean Label Solution: Levex Spectra yeast extract is derived from natural sources, supporting clean label product formulations. This is increasingly important for consumers looking for minimally processed, natural ingredients in their foods.

Fully Soluble : Levex Spectra is fully soluble, which ensures easy integration into various food applications, from soups and sauces to snacks and prepared meals, without altering the texture or appearance of the final product.

Vegan Product : Levex Spectra yeast extract is 100% vegan, making it an ideal ingredient for plant-based and vegan formulations. It delivers a rich umami taste and naturally brings out the flavors, without any animal-derived ingredients, catering to the growing demand for ethical and sustainable food choices.
